THE CHRISTMAS CONCERT

MANUAL

THE CHRISTMAS CONCERT

The Christmas concert is an opportunity for the entire family to come together and learn a classic Christmas song which they will then perform together as part of the Festive Finale at the end of their stay.

As a part their stay, the guests will attend a series of rehearsals that are scheduled activities. The rehearsals should be fun and informal with the guests made to feel that all vocal abilities are welcome.

The harmonies should be easy to learn, but if the guests cannot remember them/sing them properly the song can be sung as normal. If wanted, you can decide to give solos to guests if they are enthusiastic, or a team member can jump in and sing.

It is important that no pressure is put on the guests as this should be a light-hearted and fun sing with a party atmosphere.

"It's The Most Wonderful Time Of The Year"

CHORUS

It's the most wonderful time of the year
With the kids jingle belling
And everyone telling you "be of good cheer"
It's the most wonderful time of the year

It's the hap-happiest season of all
With those holiday greetings
And gay happy meetings when friends come to call
It's the hap-happiest season of all

VERSE

There'll be parties for hosting
Marshmallows for toasting
And caroling out in the snow

There'll be scary ghost stories
And tales of the glories
Of Christmases long, long ago

CHORUS

It's the most wonderful time of the year
There'll be much mistletoeing
And hearts will be glowing when loved ones are near
It's the most wonderful time of the year

Instrumental: 3x6 + 1x4
